

DANA JOHNSON

COMPLIANCE MANAGER/WINERY ASSISTANT

Dana's desire to develop a career in the Washington Wine Industry led her to the Walla Walla Valley in the summer of 2011 to join the Doubleback Team. In the spring of 2011, Dana received a double major from Washington State in Hospitality Business Management and Wine Business Management. It was during her collegiate internships that Dana developed a true passion for the wine industry. She spent time working in several tourist destinations, but her most influential experience was in Napa Valley, California. Working for both a small winery and hotel, Dana gained a full circle perspective of the

tourism industry in Napa. During her time there, she was able to learn more about the qualities of fine wine and premier culinary experiences. She also worked at several events and auctions, learning more about successful event planning. Dana is thrilled to put the knowledge gained during those ventures to work in the Walla Walla Valley. Dana has a true love for anything artistic. She enjoys painting, drawing, cooking and traveling. It is then quite fitting that she has built her career around excellent food and wine, because noteworthy wine is truly a form of art.
