

V I N T A G E

2014

O U R V I S I O N

“The vision at Doubleback has remained constant from the beginning — to make world-class wines that are the truest possible expression of the Walla Walla Valley, my hometown. Our estate vineyards — McQueen, Bob Healy, and now Flying B — produce fruit that is complex and rich, yet balanced and elegant. These traits are clearly shown in our 2014 Cabernet Sauvignon, and we couldn’t be more excited. Our outstanding team, led by Winemaker Josh McDaniels, brings our wines to life by guiding every step from the vineyard to the bottle with precision and passion. We sincerely hope that Doubleback wines bring you and your loved ones great joy for years to come.”

Drew & Maura Bledsoe

TASTING NOTES

I absolutely love the 2014 Doubleback. A beautifully dark and saturated color that leads in to aromatics of raspberry, blackberry cobbler and cocoa powder. Digging deeper reveals sagebrush, menthol and rosemary that evolves and opens with grace over time — a completely entrancing wine. A large mouthfeel of dark fruit, dark chocolate and enticing length with perfect acidity for balance. Incredibly rich and lush, this wine is complex, ridiculously layered, and will age for years to come. Being almost entirely from McQueen Vineyard, the 2014 is a great testament to the strength of this site. Fractured basalt driven soils, wind that thickens the skins and develops tannin, and a higher elevation that retains the acidity and allows for more hang time — I couldn't be more proud of this wine.
