

V I N T A G E

2015

#### O U R V I S I O N

“The vision at Doubleback has remained constant from the beginning — to make world-class wines that are the truest possible expression of the Walla Walla Valley, my hometown. Our estate vineyards — McQueen, Bob Healy, Lefore, and now Flying B — produce fruit that is complex and rich, yet balanced and elegant. These traits are clearly shown in our 2015 Cabernet Sauvignon, and we couldn’t be more excited. Our outstanding team, led by Winemaker Josh McDaniels, brings our wines to life by guiding every step from the vineyard to the bottle with precision and passion. We sincerely hope that Doubleback wines bring you and your loved ones great joy for years to come.”

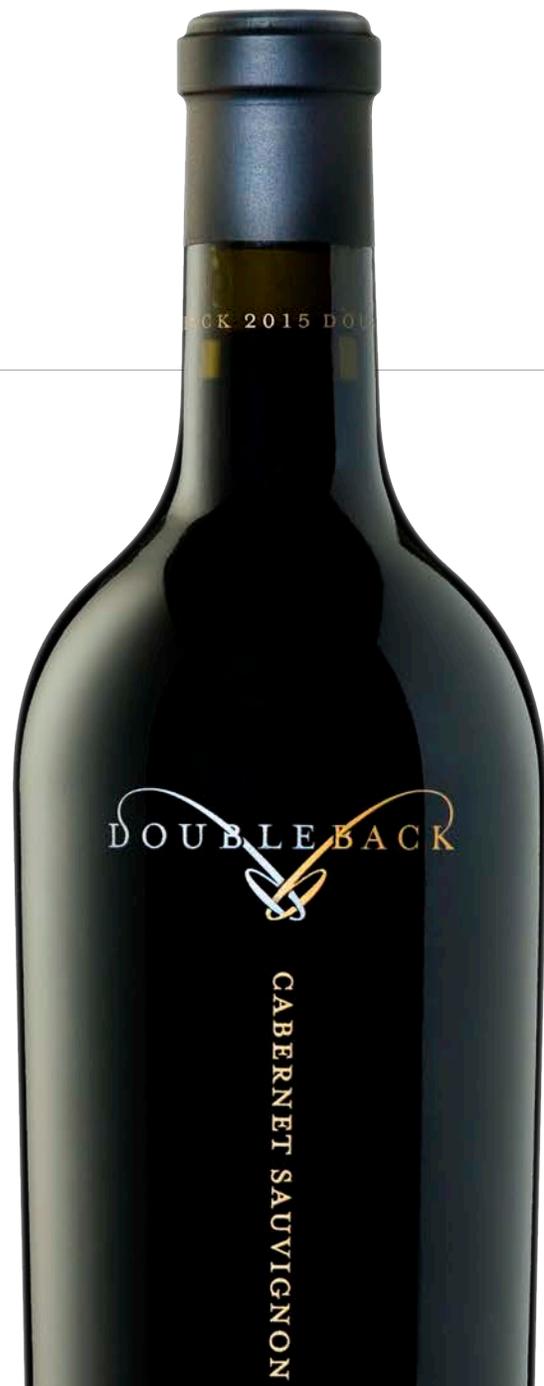

Drew & Maura Bledsoe

## TASTING NOTES

2015 was an incredible growing year — especially for Cabernet Sauvignon, the focus of Doubleback. Balancing out the heat of the vintage, our later ripening vineyards — McQueen, Lefore, and Pepper Bridge — really shined bright and they represent the highest percentage of Cabernet Sauvignon we have ever had in a Doubleback blend. Medium to deep ruby in color, this wine is expressive immediately with blackberry cobbler, cassis, and wild herbs. On the palate the wine has broad, mouth coating tannins, cocoa powder, minerality, and a fresh, balancing streak of acidity. Though expressive and enjoyable now, the warmth and strength of the vintage will age fabulously for years to come. Drink at cellar temperature.
